**Ozarks Technical Community College (OTC) Proctored Exam Requirement**

Each OTC online course requires one proctored exam (math courses may require more than one exam). This proctored exam may be administered at any OTC location or at an approved off-campus location as requested by the student via the Off-Campus Proctored Exam Request Form (see below for link). All off-campus locations must be in accordance with OTC proctoring specifications and must be pre-approved by the course instructor for appropriateness. If there are any concerns, the instructor will consult OTC online for approval.
